

## Horses' Honor Thanksgiving 2015

**We are so thankful that you are a part of our lives. We couldn't do what we do without you.**

### **Annual Tack Sale at Gold Country Fairgrounds**

**Because of the California fires, we expected a reduction in donations and were stunned at the response for our annual tack sale. This was by far the most successful tack sale ever.**

**The tack sale requires so much energy and time—collecting donations, cleaning and repairing tack and then delivering it to the Auburn area. Organizing it from bags and boxes of miscellaneous donations into a beautiful display that catches the eye of shoppers...then pricing items and finally greeting customers as they arrive and helping them through the shopping process. You did it all and you did it with style and class—the end result was the most profitable tack sale ever—almost 50% more than last year—all because of you.**

**This is not a line for a rock concert. It's the line of happy customers waiting to get into the sale.**

**Volunteers get ready to greet the shoppers**

**An anonymous donor supplied a moving van & crew to transport donations from various locations to Auburn**

**A special thank you to:**

- **Barbara Biernat of Horse and rider Boutique for donating \$15,000 worth of brand new merchandise**
- **George Doddington & Elizabeth Hudson for providing on-going tack storage for our donated tack**
- **Echo Falley Feed Store**
- **Western Saddlery**
- **Maggie's Cookies**
- **And the other barns and businesses that have been Horses' Honor drop offs for several years. These are the people who keep us going.**

## Buy a Bale

The picture speaks for itself. We were blown away by your generosity. Our barn is full and we are prepared to feed the herd throughout the year.

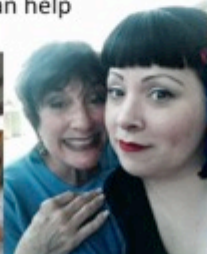

## Golden Gate Fields

Thank you to Golden Gate Fields for using us again and again to raise money for Horses' Honor, and special thanks to the many volunteers who pour beer and serve hotdogs at our Dollar Day Booth—a wonderful way to earn money for the rescue herd.

Sunday, September 6

Off and Running—Horses' Honor's first Golden Gate Field's Dollar Day of the season...always fun—great people—an easy way to help the rescue horses. Hope you can help out...

Finally, huge thank yous to Glide Foundation (Thorton S. Glide Jr. and Katherine D ) and to the ASPCA for their generous support and to the dedicated volunteers who pitched in to help Nina after her surgery.

**Introducing our three newest residents**—Bill, Lady & Penny. They are getting acquainted with the rest of the herd and enjoying their new life. How fortunate we are to be able to give horses a sweet ending to their lives.
